TACKLING GLOBAL CHALLENGES

PROGRAMME DETAILS

Course dates	Any time of the year
Course length	5 weeks online sessions + minimum of 1 week in person course in the UK
Age range	14 - 17 years old
Group size	A minimum number of 15 students
Venue	To be defined according to the programme specifications

Use resources like '170 Daily Actions to Transform our World' to inspire practical ideas.

Study the 17 United Nations Sustainable Development Goals (SDGs) and their 5 themes: People, Prosperity, Peace, Partnership, and Planet.

Through a curriculum co-designed and facilitated by AFS, you will gain the skills, experience, and confidence to become a changemaker in your community.

Global Competence Certificate
