The School

The Common Room

The Campus

The University of Law is a prestigious education establishment in the city centre located about 5 minutes on foot from our main school at Park Place, and within easy walking distance of all the bus stops. As the sole user of the facilities in July, we restrict access to ensure a safe environment for our students. The school has 12 modern classrooms and a superb common room where students can relax, eat their lunches and where we have our assemblies.
