

GROUP LESSONS

For any of the following courses there are six levels: A1, A2, B1, B2, C1, C2. Once submitting the entry tests and after being accurately analyzed, the students join the corresponding level.

STANDARD COURSE: 20 LESSONS / WEEK

This course is specially designed for students to learn to communicate efficiently in everyday life situations. It includes 20 lessons per week and takes place in the morning. Given the fact that the groups are small, the students can actively participate and receive individual attention.

- » **Schedule:** 9:00 – 12:40
- » **Break:** 10:40 – 11:00
- » **Focus on:** Grammar, vocabulary, pronunciation, reading, writing, oral and written comprehension.

INTENSIVE COURSE: 30 LESSONS / WEEK

The intensive Spanish course is ideal for students who want to improve their Spanish quicker. It consists of 4 lessons on the same model of the standard course during the morning, but it includes two additional conversation classes during the afternoons to help improve oral communication and gain fluency and confidence.

- » **Schedule:** 9:00 – 12:40 / 2:00-3:40
- » **Break:** 10:40-11:00
- » **Focus on:** Grammar, vocabulary, pronunciation, reading, writing, oral and written comprehension. Only oral communication

exercises during the afternoons.

COMBINED COURSE: 20 LESSONS + PRIVATE LESSONS

Our Spanish school offers this course to students who not only want to learn the language quickly and implement it, but who also want to address specific topics such as:

- Medical Spanish
- Business Spanish
- Regional varieties of the Spanish
- Latin American Literature
- Spanish for work
- » **Combination 1:** Standard course + 5 private lessons
- » **Combination 2:** Standard course + 10 private lessons.
- » **Schedule:** 9:00 – 12:40
- » **Break:** 10:40-11:00
- » **Private lessons:** Will be scheduled for the afternoons.
- » **Focus on:** Grammar, vocabulary, pronunciation, reading, writing, oral and written comprehension. Private lessons will be focused following the student's needs.
