

Leisure Activities

In Florence people do not get bored!

The city offers so many opportunities for culture and fun that quite often one has an embarrassment of choice. At the beginning of each course, all students are given a detailed programme guide for all the most interesting events that they can take part in during their stay.

For each course the school organizes guided visits to museums, monuments and places of special historic and artistic interest; excursions to find out more about the many famous places near Florence - Siena, Pisa, Lucca, Volterra, S.Gimignano and the beautiful Chianti hills, - are some of the most popular among our students; cinema at school, a way to learn Italian and the Italian way-of-life through a rich selection of famous Italian films; concerts of classical, jazz and rock music, ballets, opera and theatre, and the famous Maggio Musicale Fiorentino.

Finally, for the pleasure of enjoying ourselves together, we organize evenings eating out at restaurants, going to discos and piano bars, sports including volley-ball, football and tennis.

In all these activities students are accompanied by members of the teaching or social staff of the school.
