

HOMESTAY WITH AN AMERICAN FAMILY

Our homestay families reflect the diversity of life in the United States. They are very carefully chosen and provide a welcoming, friendly, and safe environment. Homestay families provide a unique opportunity to build lasting relationships and learn about American lifestyle.

Living in a homestay allows our students to have an excellent opportunity, not only to learn about American lifestyle, but also to practice English with native speakers daily in real-life settings.

ACADEMIC BENEFITS OF CISL HOMESTAY:

- Students will receive daily linguistic practice and social interaction with an American family.
- Students will experience authentic San Diego culture while practicing their fluency, and pronunciation.
- Students will hone their listening skills while learning informal idioms and slang in context.
