scan for more information

PROGRAM DESCRIPTION

- **Child Growth and development (ECEA 1)**
This course provides a historical and theoretical understanding of development throughout the life-span with a focus on physical, cognitive, language and socio-emotional development. Students will explore prominent approaches and theories related to life-span development. Genetic and environmental factors which influence individual growth will be analyzed. Indicators of developmental delays or concerns and associated risks will be explored. Students will also explore strategies that can be used in the classroom to meet the individual needs of students.
- **Child health, safety and nutrition (ECEA 2)**
This course provides a deep study of child health, safety, and nutrition. Students will create and maintain a variety of policies that ensure health and safety for children. Students will learn and study how to implement universal precautions, hygiene standards, and procedures. Students will explore how to plan, prepare, and serve meals and snacks that meet a child's nutritional needs. With a focus on prevention, students will explore strategies to assess, manage, and report illness. Child protection responsibilities and licensing requirements will be studied. Students will learn the theoretical principles of health, safety, and nutrition which they will be able to apply to the early childhood curriculum.
- **Guiding Behaviour (ECEA 3)**
This course provides an understanding of Child Guidance. In this course, students will take an in-depth look at the relationship of environment and the development on children's behaviour. Students will study strategies, resources, and skills needed to develop positive approaches to guide a child's behaviour. Caring skills and techniques which support and enable children to develop self-esteem will be analyzed. Students will examine child guidance from infancy to the early primary years. Students will explore what children need from their learning environment in order to thrive in order to thrive. The importance of supporting the well-being of the whole child (emotional, social, physical, creative, and cognitive) is explored.

HOW TO APPLY

DEA CAREER COLLEGE

Step 1

Before applying, please check and make sure you meet the selected program admission requirements.

Step 2

Fill out the application form at deacollege.ca or ask one of our representatives.

You will need to upload/ send the following documents:

Copy of Passport
Copy of your High School/Secondary Education Diploma.

After receiving the required documentation, we will send you:
A link to our FREE online English admission test (not required if you provide official English test results such as IELTS Academic).

Step 3

If you are accepted into the program, We will provide a Letter of Acceptance.

Step 4

Apply for your Study Permit/Co-op Work Permit/Visa, if applicable.

Apply Through a Certified Agent

If you are in contact with an agency in your country, they can support you through the application process. If you don't have an agent but would like us to recommend one that we trust, please contact us at info@deacollege.ca

Note: If your English proficiency is at a lower level, you may consider enrolling in General English-ESL classes at DEA CANADIAN COLLEGE Language Academy before participating in DEA CANADIAN COLLEGE programs.

DEA LANGUAGE ACADEMY

Step 1

Fill out DEA's General Form at deacollege.ca or ask one of our representatives.

Step 2

Send your application(s) and the required identification document:
Copy of Passport.

Step 3

Receive your invoice and pay your fees.

Step 4

Get ready to come to DEA Canadian College.

INTERNATIONAL STUDENTS

Study Permit

As an international student studying for longer than six months, you will need a permit to study in Canada. An entry visa will also be required for most countries. Before you submit a study permit application, you will need:

- A letter of acceptance from DEA College with our DLI number.
- Financial proof that you can support yourself while studying at DEA College (tuition fees and living expenses)
- A medical exam, if required.
- Biometrics, if required.

Please refer to www.cic.gc.ca for more details.

Co-op Work Permit

If your study includes a co-op or work placement, all international students are required to apply for a co-op work permit as well as a study permit. You must submit the application for a co-op work permit alongside the study permit. This document will allow you to work full time during your co-op work placement and you need to present the permit before your co-op component starts.

CAREER SERVICES

We connect you to the Canadian workforce. Our dedicated and supportive team of co-op specialists assist students from beginning to end; all included in the tuition fees.

Guaranteed co-op work opportunities from hundreds of partner companies!

- Receive support for co-op work placement from start to finish.
- Work & earn money while studying.
- Enhance your resume, develop your professional network & become job-ready.

YOUR PATH TO WORKING IN CANADA

Our co-op specialists support your job search, connect you with employers and stay engaged with you throughout your co-op work placement.

RESUME CLINICS

Students get the opportunity to work one-on-one with a resume consultant to edit, modify and update their resume to be suitable for applying for jobs in the Canadian workforce.

LINKEDIN PROFILE BUILDING

We will help you build your LinkedIn profile, including taking a professional portrait for your profile picture.

WEEKLY JOB POSITIONS

After your resume is built, you will receive weekly job opportunities from our co-op specialists.

NETWORKING ACTIVITIES

Our student services team will host events where you can meet industry leader and develop your professional network.

INTERVIEW COACHING

We will assist you during the initial stages of securing a job, such as arranging your job interview and preparing you to succeed.

FINANCIAL ASSISTANCE

DEA Canadian College offers a variety of financial aid opportunities to ease students' stress and allow them to focus on their studies. If you need extra support, we have flexible funding to accommodate all our students, no matter their financial situation.

Student Lines of Credit

Very affordable student loans available at most banks, including:

- RBC Royal Bank – Royal Credit Line for Students.
- CIBC Bank – CIBC Education Line of Credit.
- BMO Bank of Montreal – Student Line of Credit.
- TD Canada Trust Bank – Student Line of Credit.
