

SOCIAL ACTIVITIES

The recreation hall of the Russian Language School is the place to relax between classes and chat in Russian over tea or coffee in a friendly and comfortable atmosphere with students from all over the world.

The weekly social programme, which is offered for students studying Russian language at Derzhavin Institute, has some activities for students of all ages. On the first day of classes, students receive an informational folder including a list of social activities for the week with dates and prices, if any. These social activities include visits to museums, tours in and around St.Petersburg, and theatre trips. Taking the students out of the classroom, these activities enable them to practice Russian language in real life situations and gain an in-depth understanding of Russian language through cultural traditions. On this page, there is an overview of the most attractive sites in and surrounding St.-Petersburg for all those planning to study Russian language or just coming here as a tourist (see the list on the left).

Some of the regular activities such as Russian Song Lesson, Russian Folk Art Lesson, and Russian Film Screenings are organized by the school.

Every Saturday our students are playing football. We organize practice games and matches with teams from the other Russian Language Schools in St. Petersburg. Join our international Derzhavin team!

Furthermore, there is always something happening in St. Petersburg, and we try to keep the students at Derzhavin Institute informed about the events in St. Petersburg so they can enjoy them. If you would like to join our programme, please email us.
