

SOCIAL ACTIVITIES

The recreation hall of the Russian Language School is the place to relax between classes and chat in Russian friendly and comfortable atmosphere with students from all over the world.

The weekly social programme, which is offered for students studying Russian language at Derzhavin Institute, is aimed at students of all ages. On the first day of classes, students receive an informational folder including a list of social events for the week with dates and prices, if any. These social activities include visits to museums, tours in and around St. Petersburg, and theatre trips. Taking the students out of the classroom, these activities enable them to practice Russian in real life situations and gain an in-depth understanding of Russian language through cultural traditions. On the following page, you will find an overview of the most attractive sites in and surrounding St.-Petersburg for all those planning to study Russian or just coming here as a tourist (see the list on the left).

Some of the regular activities such as Russian Song Lesson, Russian Folk Art Lesson, and Russian Film Screening are organized by the Russian Language School. Please contact the school for more information.

Every Saturday our students are playing football. We organize practice games and matches with teams from other schools and universities. Join our international Derzhavin team!

Furthermore, there is always something happening in St. Petersburg, and we try to keep the students at Derzhavin Institute updated about the events in St. Petersburg so they can enjoy them. If you would like to join our programme, please email us at info@languagecourse.net.
