

Activity Program at did deutsch-institut Berlin

Excursions with our activity guides are not a must – some excursions, however, you shouldn’t miss! On our walking tours through the historical center of our capital you’ll see places worthwhile discovering around school: the alternative cultural center Tacheles, the cultivated revue theatre Friedrichstadtpalast, the marvelous synagogue and the lively backyards of Hackescher Markt. Our activity guide will show you the few remains of the Berlin Wall, will tell you the history of the Reichstag before the Federal Parliament moved into the building in 1999, and will give you all the background information on the Potsdamer Platz and how it looked like before and immediately after World War II.
