Study progress

Abilities: The "English Upper-Intermediate – Advanced Course" enables participants to express themselves fluently in language and writing in everyday and professional situations as well as in their areas of interest. At the same time, the course consolidates the participants' English while telephoning and composing e-mails.

Grammar: The participants of the "English Upper-Intermediate - Advanced Course" solidify the use of all tenses in English and gain the competence to use more difficult grammatical structures, such as: Possibility forms, probabilities and forms of speculation.

Vocabulary: The "English Intermediate - Course" consolidates the intermediate level vocabulary and extends the advanced vocabulary, so that the participants can express themselves in all language situations and can write in a wide variety of everyday and professional life situations.
