

Young Achievers Montreal

The EC Young Achievers programme is the ideal choice for learners aged 15 to 18 years who want to add extra features to English and /or French language learning. Features that will enhance their individual interests and skills, building foundations for further growth within their chosen area and post- secondary education.

What can you expect on this programme?

In addition to learning French or English, the programme aims to prepare students for their post-secondary education by introducing them to different fields of study through the project based weekly themes.

Students will be introduced to the world of health, business, art, fashion, politics, technology and so much more. The Young Achievers programme is 24 Lessons per week (General F/E + 4 Special Focus). This programme is ideal for students who have completed their secondary studies, are taking a gap year and want to improve their French or English skills or both.

We will introduce our students to many of our Canadian pathway partners. We will hold regular webinars for our students to attend. Our pathway manager will also speak to our students about the many different options available if they choose to pursue their studies in Canada.

The Young Achievers programme will include a 4 lesson per week special focus class. The class could be:

1. An exam preparation course
2. An educational outing
3. An academic writing course
4. Any other project-based lessons

EC Montreal's Young Achievers Special Focus Class
