EF INTERNATIONAL LANGUAGE SCHOOL
200 LAKE STREET, BRIGHTON MA 02135

City Highlights

- Boston is known as the “Athens of America” and is home to almost 100 universities—including Harvard and MIT--and 200,000+ university students!
- There is a varied and exciting nightlife to suite all musical tastes and lifestyles. However, Boston is not a club city like Miami or New York; the city closes down at 2am and public transport stops running at 12:00am. Even with these time restrictions, there is still a bustling atmosphere and this city provides lots to do!
- Boston has four distinct seasons: summer, fall, spring and winter. Students can go skiing or ice-skating in the winter, swimming and hub way biking in the summer and spring and hiking in the fall.
