City Highlights

- San Francisco is the gateway to Northern California and the most densely populated city in the United States. The city, along with nearby Oakland, San Jose and surrounding areas, make up the San Francisco Bay Area which is home to more than 10 million people and one of the most economically prosperous and culturally diverse regions in the USA.
- Calling all hippies! San Francisco is one of the world's most socially progressive cities and the center of liberal activism in the US. Beginning with the "beat generation" of the 1950s and followed by the counterculture movement of the 1960s, San Francisco has been an important base for the civil rights, women's rights and gay rights movements. The city annually hosts the world's largest LGBT Pride Parade attracting over 1 million spectators.

School Highlights

- Beautiful facilities and outstanding location in the heart of the city. Close to many attractions, shopping, dining and nightlife; easy access to public transportation links. Meant for mature, independent students who can handle a big city - not a campus school (closed nights & weekends).
- Extremely enthusiastic and supportive staff along with very experienced teachers.
- Wide range of academic programs to fit any student. One-on-one lessons available year-round.
- We offer a full time Cambridge prep program in place of General English classes (for FCE or CAE). Note that Cambridge prep courses are not offered in the summer. We are also a Cambridge test center and offer TOEFL SPINs year-round.
- Advanced Diploma Business English offered for year or semester - includes volunteership opportunities.
- LSP focus destination (about 35% of total student body) with very few students under 18 outside summer. Average age of school is about 23 years old.
