General conditions

- All the course groups must have **at least 3 people enrolled** and will include **no more than 9 students**. Courses start every Monday, so the groups can receive new students every Monday.
- Should there be no intensive groups matching the student's level during the specified dates, or should a group be cancelled due to a lack of students, the possibility of doing an **"Intensive one to one"** class will be offered for the same price as the intensive course, consisting of **1.5h / day** in an individual class. If there are two people with the same level, for the same price they'll have **2 hours of classes**.
- The student's level will be determined by a **placement test**, which will allow them to be assigned to a group and to be given a timetable. The mentioned test **must be sent to El Aula Azul at least 2 weeks** before the start date.
- The timetable for the classes can be either **in the morning or in the afternoon**, and although the students will be able to state their preferred option, this can't be guaranteed. The exact timetable for the course will be notified to the student the **Wednesday prior to arrival**.
- The price of the course includes learning materials, access to El Aula Azul's internet resources, participation in all free activities, free WIFI access and loaning of the school's books and DVD's.
- The accommodation offered by El Aula Azul is in **"flat-share" and only for adults (+18)** where students will live with Spanish locals (usually the owner of the flat among them) and where they will have a single room and share kitchen, sitting room and bathroom. Therefore, they will have to adhere to the flat rules related to cleaning, use of communal areas, etc.
- Rooms are reserved **from Sunday 18:00 p.m.** prior to course starting date to **Saturday 12:00 a.m.** after the course ends and additional days will be charge as extra days.
- The student will be notified of the **exact location of the flat on the Wednesday prior to arrival**.
- El Aula Azul is **not responsible** for any disagreements which may arise within the flat share, nor is it responsible should the flat fail to meet the expectations of the student.
