Excursions & Activities

A large part of a summer school experience is exploring the local towns, larger cities, and famous attractions with new friends! Two thirds of the student experience is spent out and about, away from the classroom and therefore Embassy Summer has spent many years tailoring its programmes in each location to maximise the whole student adventure.

We recognise that the excursions and activities are as important as the English language classes.

All our programmes include a variety of full day and half day excursions, and students also have the opportunity to take part in additional trips (known as optional excursions) if they want to explore the locality further.

When not out on excursions, we also offer our students a wide range of activities to enjoy. These activities vary differently from centre-to-centre and are very much dependent on the facilities available to us, but in general we always try to include a range of sporting and non-sporting events as

well as larger, whole school, evening activities such as discos, karaoke and cultural quizzes.

Our activity programme is designed to ensure that students maximise their opportunities to mix and meet with other students from all over the world in a less formal setting than a classroom, that they continue to use their English language outside of the classroom and that, most importantly they remain healthy, happy and have a fun experience!

Below are a few examples of the places we may visit as well as activities carried out at Brighton.

Group Leaders

Embassy Summer expects the Group Leader to share responsibility for the pastoral and welfare needs of their students. Embassy Summer also expects the Group Leader to help enforce the rules of the school, as outlined in the Student Notebook and school notice boards, and enforce any additional local arrangements. Please note that these responsibilities do not extend to students who aren't from within the same group.

Meetings

Embassy Staff member will have a meeting with each Group Leader on their first evening at the centre (or the day after arrival) where the essential information about the centre and the programme will be provided.

Regular meetings with the Centre management team will be held in the following days. These are important moments to share information, comments, suggestions, and feedback.

Individual Students

Students who are not part of a group will be assigned to an Embassy Summer Guardian group, living on site. The ratio is usually between 10-15 students per group.

Students and their Guardians communicate via WhatsApp and through daily meetings.

Students can always refer to their Guardians if there are any problems which need to be discussed or if they require any support.

Nationality Mix

Embassy Summer has a truly global nationality mix with students coming to our centres from over 85 countries around the world.

This is what enhances the student experience in terms of learning English, personal development but most importantly having the opportunity to make new friends around the world.

FAQs

What happens if someone loses their passport?

We strongly advise students to store their passport safely and not carry it around with them. If a student passport is lost, Group Leaders must accompany the student to the embassy of their home country, where they will be issued with a temporary replacement or a permit to travel. An Embassy Summer staff member will accompany any student that is not part of a group.

What happens if a student gets lost on an excursion?

The first thing to do is stay where you are, and the member of staff will try to contact the student and get to know the student's location. Then, a member of Embassy Summer staff will come and collect the student.

Every student has an ID Card where the Embassy Summer Emergency Number is printed. Students should call this number if lost.

How do students participate in onsite activities?

Individual students will take part in all activities and excursions, which are provided to them before

their arrival, explained during the welcome meeting once at the centre, and advertised on the Activity Noticeboards.

Group Leaders can sign their own group out of activities, but this needs to be discussed in advance with the Embassy Summer staff.

Can students lock their room?

Yes. All students are issued a key on arrival which provides entry to their residential building, their flat and their room. However, Embassy Summer staff always have a master key who give access to all bedrooms where our students are.

Can students be taken off programme by a member of their family?

Students can be taken out of the programme by an adult for a short period of time, as long the centre gets informed in advance. If a person, who is not a parent, takes a student out of the programme, a parental approval via email must be sent to Embassy Summer prior to the student's pick-up.

The adult, who takes the student

away, will be asked to fill in a form where personal details and contact number must be provided. Copy of the original ID of the adult will be taken from the centre.

What should we do if there is a problem with a bedroom?

All the bedrooms are checked prior to the students' arrival. However, if at any time, there is maintenance issue it is essential to report this immediately to one of our Embassy Summer residential members.

What to do if a member of the group has food allergy/dietary requirements?

Embassy Summer needs to be informed in advance, and it is important to provide accurate information. The centre catering staff are very experienced in catering for all kinds of allergies or dietary requirements, so we will be able to meet your needs.

What happens if a student is sick?

If a student is sick and needs medical attention, then the Embassy Summer office will help in making appointments etc. Please note however that it is not usual for a

Campus Map

doctor to visit the centre directly and any trips made to the doctor, dentist or hospital will have to be paid for by the student (including transport where necessary). Students with a Group Leader will be accompanied by the group leader.

Damage deposit

Damage deposits of £30 or €40 are payable by all students on arrival at the centre. This money will be returned at the end of their stay subject to any damages caused.

Insurance

If a student does not have insurance, guard.me insurance is available to purchase through Embassy Summer. <https://www.guard.me/>

Damages

Damages must be paid for. All rooms and common areas are regularly checked for damages, and individuals who cause damage to any property on the site will be liable for the cost of repairs. For Groups, deposits will be communal and used to cover damages when a group/individuals in a group are responsible.
