

Modern Methodology & Language Development for Primary Teachers

Primary-Level Teachers: Energiser Course (with CLIL)

It's easy to fall into the same old patterns with your lessons. Especially as the school year progresses. Finding new ways to bring new, fun activities into your class becomes harder and harder. This course is designed to refill your bag of classroom tricks with ideas and content that are proven to bring life and excitement to your classes!

This course brings you language-development classes, as well as practical ideas for your own classes. You will learn how to create new, original, highly-enjoyable materials and lesson ideas for all your teaching needs. Your students will love the new energy these will bring back to your class and you'll all feel like it's the first day of term again!

Modern Methodology & Language Development for Secondary Teachers

Second-Level Teachers: Energiser Course (with CLIL)

Teaching English to teenagers can be hard work, especially as the school year wears on. Your students get more stressed with exams, other subjects and with just being teenagers. It becomes harder and harder for you to engage them with your lessons. There are only so many creative ideas you can have before you're recycling the same activities again and again. We made this course for exactly this situation.

This course focuses on helping you create new lessons that will re-engage and re-energise both you and your students. You'll discover effective techniques and how to adapt materials for your students.

Level: a minimum language level of CEFR B2 is required

Duration: one OR two weeks

Morning classes: 9:00-13:30

Afternoon: city orientation, cultural activities, seminars, workshops
