We have designed the right combination of family time, language study, and leisure. Our specialized course counselors provide for all your needs, including special services such as additional childcare*, family activities, and excursions. We offer various premium accommodation options depending on your needs. Let us know how you envision your trip and we will make it happen.

CUSTOMIZED GROUP PROGRAMS

At Enforex we design personalized Spanish Immersion Programs for groups of six or more students.

We work with over 400 high schools and teachers, over 250 universities from all around the world, and we are the provider of many governmental and other official institutional programs worldwide.
