This completely customizable program is for families of all sizes and interests who wish to improve their Spanish or English levels in Spain.

Design your own program to strike the perfect balance between language study, leisure, and family time. While the youngest family members are busy living a truly international adventure in our summer camps, spreading their wings with our Junior Program, or taking advantage of one of our intensive courses, parents are free to follow their own path. Choose any of our group classes, one-to-one classes, or private classes just for the two of you. At the end of the day, the whole family can dive into the local culture together and enjoy Spain's enviable climate, acclaimed gastronomy, and Mediterranean beaches.

Our specialized course counselors will ensure all your needs are met. They can help organize special services, like childcare*, family activities, excursions, and more! We also offer various premium accommodation options.
