

Charity Volunteer Internship Placement Programme

Our Volunteer opportunities are open to students from all over the world. You can participate for up to 30 days with a registered charity, giving you the opportunity to:

Develop transferable soft skills including:

- Communication skills – Talking within team and written e.g. social media.
- Confidence – By approaching people and getting a positive response.
- Teamwork – Key in workplaces, understanding everyone has a different skillset customer service - this cannot be underestimated in any job.
- Problem-solving – “Tell me a time when you solved a problem”, a common interview question for work.
- Awareness.

Other benefits:

- Etiquette – How to do things/ speak to people appropriately by watching others with more experience.
- Cultural awareness – What is okay in one country or section of society is not okay with another - get smart!

Who we work with?

 **These are some of the companies we work with:**

Oxfam

Oxfam is a world leading organisation seeking to end poverty globally. In 2020/21, £105m was raised. They utilised online sales to generate £7.6m and promoted sustainable fashion through resources that were downloaded over 60,000 times. In 2020, their work allowed for 13.1 million vulnerable people to be supported in times of poverty, conflicts and natural disasters across the world.

AgeUK

Age UK provides various services for older people, acting as the largest charity for elderly people in the UK. Hundreds of thousands of older people are supported every year, with multiple offices around the country, 400 shops and support for vulnerable adults in over 40 countries. In 2019/20, Age UK raised over £50m, largely through fundraising, and spent over £60m on charitable activity.

British Red Cross

Established in 1870 as a means of aid for those wounded in war, The British Red Cross provides aid to those in times of crisis both in the UK and globally. In 2020, an income of £305.9m allowed for over £295.3m to be spent on charitable activities. Partners include Amazon UK, the Home Office and Goldman Sachs Gives.

Cancer Research UK

Cancer Research is the world-leading cancer research and awareness charity, formed in 2002. The charity employs 4,500 people, including scientists, doctors and nurses all working with the aim of helping beat cancer sooner. In 2019/20, Cancer Research UK raised over £650m, of which £468.4m was spent on research.

British Heart Foundation

Founded in 1961, the British Heart Foundation is a cardiovascular research charity. In 2020/21 they generated £86m, most of which went toward researching cures and treatments for heart and circulatory diseases. British Heart foundation is currently supporting over 900 projects related to heart diseases, totalling £99.7m in funding.
