

Our cultural programme on the weekends

Guided day trips

On the weekends we offer full-day excursions throughout Andalusia. Day trips to Ronda, Seville, Cordoba, the Costa Tropical or the Alpujarra mountains are offered.

Guided day hikes

If you want to go hiking, you can take part in the guided hikes of the provider Sierra & Sol. Under the direction of Teresa Madrona Moreno, day trips are offered on the weekends in the Sierra Nevada national park or in the natural parks of our province.
