

## Our cultural programme on the weekends

### Guided day trips

On the weekends we offer full-day excursions throughout Andalusia. Day trips to Ronda, Seville, Cordoba, the Costa Tropical or the Alpujarra mountains are offered.

### Guided day hikes

If you want to go hiking, you can take part in the guided hikes of the provider Sierra & Sol. Under the direction of Teresa Madrona Moreno, day trips are offered on the weekends in the Sierra Nevada national park or in the natural parks of our province.
