## Intensive Spanish

Our students can choose the number of lessons per week and can design their own Spanish programme, depending on their interests, by adding Spanish plus, Spanish leisure elective classes or private lessons to their General Spanish programme.

## General Spanish

Our General Spanish courses concentrate on the fundamental language learning skills: reading, writing, listening and speaking. All lessons are taught in Spanish. Our method has a communicative focus where grammar is practiced in contexts that reproduce situations of everyday life. The lessons are based on tasks and planned depending on the students' needs and different styles of learning.

All the courses include a complete programme of activities so that our students can make friends and get acquainted with the Spanish life and the city of Valencia.

You should check if your country has health insurance arrangements with Spain. If this is the case, you should obtain all forms and documentation before leaving your own country. (European Community nationals are insured through the state insurance fund against accident and illness. Non-European Community nationals should have an international health insurance policy that is valid for Spain). Health insurance is essential for all students; full private insurance is always recommended (travel, cancellation, property loss etc.). Make sure that your medical insurance covers all possible emergencies.
