Expanish is a language school offering Spanish courses, student housing, cultural classes, activities and service learning opportunities.

We work with universities, educational travel agencies, international organizations and individuals to create unforgettable experiences in Argentina.

Since 2006 we have helped bring together over 10,000 people from all over the world to study Spanish in Buenos Aires.

**Our Background**

Expanish has 10 years of experience serving educational excellence in South America.

**Hand-Picked Housing**

Our students always feel at home while abroad in our range of housing options.

**Authentic Learning**

A communicative approach and experienced teachers are the keys to successful learning.

**Modern Facilities**

We are proud of our newly renovated building, freshly decorated school and multimedia classrooms.

**Lasting Friendships**

We offer weekly cultural exchange events to interact with locals and social activities to boost student connections.

**Award-Winning Language School**

ST Star Awards is a peer-voted award in the study travel industry.

We have been nominated for 6 years in a row as Star Spanish Language School.

Teaching classes at Expanish is thrilling because while the students learn Spanish and get to know our country, the teachers learn about other cultures and ways of life. We are always looking for new strategies to guide our students in learning the language.

Gabriela, Expanish Teacher

WHAT MAKES US SHINE

A staff comprised of native Spanish-speakers with extensive background teaching Spanish as a second language to international students.

1. Speaking and interacting in realistic situations is our main focus and the best way to truly learn the language.

2. Hands-on lessons and interactive classes are the focus of our Spanish immersion teaching method.

3. Multimedia materials designed with every Spanish level in mind, and cultural elements interwoven throughout every lesson.

SPANISH LEVEL TIMELINE

Take a look at how each student’s level can progress over time:

- **Complete Beginner (A1)**
  - Duration: 1 week (20 hours)
  - The student should be able to present him/herself and another person, while providing and asking for basic personal information.

- **Beginner (A1)**
  - Duration: 2 weeks (40 hours)
  - The student should be able to understand and participate in basic interactions relating to daily tasks and common topics of conversation.

- **Pre-Intermediate (A1 - A2)**
  - Duration: 4 weeks (80 hours)
  - The student should be able to use their oral and written skills to talk about daily life while beginning to narrate past events.

- **Intermediate I (A2 - B1)**
  - Duration: 6 weeks (120 hours)
  - The student should be able to adequately maintain conversations with native speakers adding explanations and arguments with fluency.

- **Intermediate II (B1 - B2)**
  - Duration: 8 weeks (160 hours)
  - The student should be able to confidently understand and produce coherent written and oral statements about his/her life and surroundings.

- **Advanced (B2 - C1 - C2)**
  - Duration: 12 weeks (240 hours)
  - The student should be able to easily understand complex texts and interact with native speakers using the language for social, academic and professional purposes.
