Our Mission

Face to Face Learning Center provides services and instruction to its students.

We assist our student population in assimilating into an unfamiliar culture by enabling the actualization of their personal, professional, and academic English goals.

In order to safeguard this objective, we maintain evidence that the provided curriculum, instruction and services are allowing our students to meet their goals. We maintain a dedicated faculty and staff who are committed to facilitating the objectives of our students.

Face to Face Learning Center values the continuous improvement of our institution in order to better meet the student population's needs.

Intensive English Program

The Intensive English Program is designed for individuals wishing to join the English-speaking world. Since 2011, our school has successfully helped thousands of international students improve their English abilities.

- **Placement Exam prior to start date**
- **7 levels (A1 to C2 CEFR), each complete level is 12 weeks**
- **Highly qualified, certified American instructors with experience teaching adults.**
- **Integrated approach (grammar, vocabulary, reading, writing, listening, speaking)**
- **Student centered classrooms with a special focus on building speaking skills**
- **Bi-weekly assessments include exams and language producing tasks (writing and speaking)**
- **English Immersion**
- **Certificate given upon completion**

Why choose our school?

With us, learning the English you
need is guaranteed.

01

Outstanding Instruction

Our faculty consists, not only of highly qualified professionals in ESL teaching, but also of people who care about the future of our students. Maintaining a small class size allows the faculty to comprehensively understand each student's needs and maximize the students' learning experience. Student centered classes provide a highly interactive environment and make learning more effective.

02

Exceptional Services

Dedicated administrators are committed to facilitating the objectives of our students. Their involvement and availability for support whenever it is needed by students is a big asset.
