About Emerson College

Founded in 1880, Emerson College is a private liberal arts college located in the heart of downtown Boston. It is the only four-year institute in the United States that is exclusively devoted to the study of communication and the arts. Emerson College's journalism program is often considered to be among the top programs in the United States. In 2022, Emerson's Visual and Media Arts program was ranked #6 in the nation. One of the most famous programs that come out of Emerson is the Emerson College Polling which is a nationally ranked polling center. Notable alumni from Emerson include Emmy award-winning talk show host, Jay Leno; Academy award-winning Directors Daniel Kwan and Daniel Scheinert (known for *Everything Everywhere All at Once*); and Emmy award-winning actress, Jennifer Coolidge. The college and dormitories overlook the famous Boston Common, the oldest city park in the United States.

Students will be living in the 'Piano Row' dormitory. Resident Assistances will be living on the floors with the students. Students will be living in suite style dorms with three bedrooms with two twin XL beds each, a shared bathroom area, and a common area. Laundry is located on the first floor of the building and students will be responsible for their own laundry. Meals will be had at the Emerson College Dining Hall, located a few buildings down from Piano Row. Monday through Friday, students will have three meals (breakfast, lunch, and dinner) at the Dining Hall and two meals on Saturday and Sunday.
