

SPOKEN SPANISH PRACTISE

This combination course prepares students to use Spanish in 'real world' situations and will take into account their interests and strengths and weaknesses, as well as their short and long-term goals. Students will follow a structured program to enable them to practice their Spanish in real world situations such as interviews, meetings, presentations, communicating by email & conducting Skype calls through Spanish. Join our Professional Focus Spanish course and open the door to a whole new variety of opportunities!

LEARN BY DOING

Children learn to speak without textbooks, vocabulary lists, or grammar rules. Our program applies the same natural learning method used by children. You will Learn Spanish by "doing".

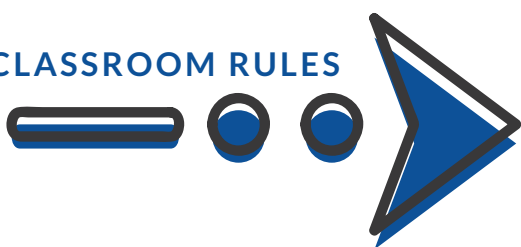

PRACTICE WITH NATIVE SPANISH TEACHERS

You will practice with a Native Spanish teacher 3 times a week. All our lessons are 1 on 1 in your office or home or live via Skype.

Our approach is 100% Conversational. You will learn Real Spanish, from Real Native Teachers. You will learn slang, idioms etc. You will remember longer because you learn through practice and not cramming.

NO TEXTBOOKS – NO MEMORIZATION
