

English plus Multi-Activity

This all-day action programme is a real winner with campers of all ages...

Wild & Wonderful Activities

At Horizon, campers enjoy a wide range of wild and wonderful activities, leaving them exhilarated and hungry for more. Many campers discover abilities they never previously realised they had. And everything is done with an eye on fun and participation, allowing every camper to realise his or her potential in a pressure-free environment.

What Can I do on a Multi-Activity Holiday?

We have it all at Horizon – from the challenge of Climbing, to the thrill of Kayaking: it is simply never dull. Archery requires steely concentration and a good eye. Surfing and Laser Quest – in short, there's something for everyone, and we can cater for all standards.

What Happens In The Evenings?

It doesn't just stop when the daytime activities are over at Camp Horizon. Our Evening Entertainments programme caters for all our campers. We have campfire parties, circus skills, lucky numbers, discos, quizzes, fashion and art shows and even chill-out zones.

Can I Combine This With Any Other Programmes?

Yes, you can enjoy the best of both worlds, where you indulge in Multi-Activity events each morning, and then diversify into a specialist holiday in the afternoon. For an extra supplement, you can decide to focus on a Specialist Camp such as Surf's Up, Pony Camp, Star Factor, Adventure Xtreme, International Tennis Academy and Wet and Wild. The result is a varied and exciting programme that will keep participants busy and challenged from start to finish.

Activities:

Horse Riding

if you're mad about horses
this is for you...

What's it all about?

Our popular Horse Riding programme mixes tuition in Equitation with Stable Management and Animal Welfare. You will groom your horse, feed him, and look after him. Each day you will trek on all kinds of trails throughout beautiful woodland and open countryside.

Do I have to be an experienced rider?

No. We have a programme to suit beginners, intermediate & experienced riders. All riders will do an assessment on Day 1 in the sand arena and progress from there. The more experienced riders will be granted the opportunity to canter and jump.

Is there an event at the end of the week?

Yes. The last day of the programme will include the Horizon Gymkhana where you can put all you have learned during the week into practice.

Do I need any special equipment?

No we will provide everything you need, but you must have a pair of shoes or boots with a heel. Feel free to bring your own personal horse-riding gear if you wish to do so.

Available at Westport Camp

Suitable for: 10-13, 13-17 Years

4 half days of Horse Riding PLUS...

1 full day and 5 half days of Multi-Activity
