& tournaments to compete in**

What's it all about?

Our Tennis Academy is about having great fun with one of the world's favourite summer games. We hasten to add, it's not tennis boot-camp – it's much more enjoyable than that. We offer top-quality tennis tuition with experienced, qualified coaches, on excellent, modern, synthetic courts, and, just so you can see how much you've improved, we run tournaments as well.

Will I improve?

You certainly will. If you wish, you can take part in our optional Irish/French Players International Championship matches – you might even win for your country! Our coaches make a special effort to ensure that every player goes home a much better player.

Do I have to be an experienced player?

Absolutely not. Our holidays are designed so that players of all capabilities can enjoy them. All you need is a desire to play and learn.

Can I bring my own racket?

Yes you are more than welcome to bring your own rackets, however we do not accept liability should your rackets get damaged or go missing.

Available at Westport Camp

Suitable for: 10-13, 13-17 Years

4 half days of Tennis **PLUS...**

1 full day and 5 half days of Multi-Activity
