## THE MAXIMUM AGE OF TRAINEES (CHANCE OF FINDING THEM EMPLOYMENT)

We accept applicants who are 21 to 65 years old. There is high demand for English-language instruction in Buenos Aires and any individual with TEFL certification is likely to find work. It is useful, however, for applicants to be aware that most English-language instructors in Buenos Aires work various part-time positions rather than one full-time position. As such, teaching English in Buenos Aires often involves a certain amount of commuting throughout the city. Teachers should have plenty of energy to navigate a bustling urban environment every day. They can also work for international employers, online.

---

## THE LIKELIHOOD OF FINDING EMPLOYMENT FOR NON DEGREE HOLDERS

Individuals with **TEFL certification** can easily find work as an English teacher in Buenos Aires, regardless of whether or not they have a university degree.

## THE LIKELIHOOD OF FINDING EMPLOYMENT FOR NON NATIVE ENGLISH SPEAKERS

Individuals with near-native fluency in English and TEFL certification can find work teaching English in Buenos Aires.

## TYPE OF VISA REQUIRED

TEFL students enter Argentina with a tourist visa and subsequently discuss specific visa requirements and processes with potential employers. We are an academic organization and connect people with employers. You do not need a student visa to study here. Few English teaching jobs require that individuals have a working visa.

## AIRPORT PICK UP PROVIDED/CAN BE ARRANGED?

Airport pick-up can be arranged at a cost of 85 USD one way.

## EXTRAS THAT THE SCHOOL PROVIDES ON THE COURSE

The course is housed in an institute that also provides Spanish language instruction. Those enrolled in the TEFL course have the opportunity to take Spanish classes for free on their last week of the TEFL program. TEFL is a purely academic program and you should have to devote all your productive energy to the course and not have any other commitments during the program.
