The background of the page features two young women smiling warmly. They are wearing green t-shirts with white text. The woman in the foreground has her arm around the other woman's shoulder. The t-shirt she is wearing has 'IRISH' printed in large white letters, and 'ENGLISH' is partially visible below it. The setting appears to be the entrance of the school, with an orange door frame and a window in the background.

Welcome to the Irish College of English

Established in 1992, the Irish College of English is an award-winning language school. Our carefully created Junior Courses and expert English language tuition provide our students with unique and rewarding experiences. We focus on loving the language by living it.

We pride ourselves on our high level of customer service and excellent client relationships. A positive student experience is at the forefront of our school ethos and this is reflected in our reviews and awards.

Quality School with over 30 Years of Experience

With over 30 years of experience in providing English language camps for juniors, we know teenagers, we know how to motivate them and provide unforgettable summer experiences. We are recognised by ACELS, a service of Quality and Qualifications Ireland, for English Language Education.

Award Winning School

We were delighted to be a finalist in The Irish Education Awards in 2023 and also in 2022 and 2021 for 'Best Language School'.

We were voted 'Best Language School in Ireland 2019' by students based on Google and Facebook ratings. Uniquely, this Education Stars Award is based on student ratings only.

In addition, we were the first language School in Ireland to be ever shortlisted for the Study Travel Magazine Star Awards – Junior Course Under 18's Global Industry Award in 2015 and were again shortlisted in 2016, 2017 and 2019. We were also shortlisted for 'English Language School Europe' in 2017 and 2019.

In 2022 we were shortlisted for Best Professional Service in the Fingal Business Awards. We were previously also honoured by Malahide Chamber of Commerce with the 'Service Excellence Award' for a clear demonstration of excellent and consistent customer service and with the 'Organisation of the Year' Award.

Quality Tuition

Building English Fluency

Progression is our focus and we aim to develop a natural interest and love of the language in our students. As part of our academic policy, students are evaluated pre-arrival and on their first day in class to ensure they are studying at the correct level. On completion of their course, students receive a **progress report** from their teacher and a **certificate of attainment**.

Lessons are held every morning, from Monday to Friday and each course is supported by its own carefully planned syllabus and course book. Lessons focus on developing the core language skills, with specific emphasis given to speaking and listening. We use **highly interactive exercises** and **task based projects** to refine and amplify our students' **communication skills**.

Intercultural Irish Teenage Programme

As part of our continuous efforts to maintain high quality classes and to enhance our students' experience, we have our unique **Intercultural Irish Teenage Programme**. Each week Irish teenagers join lessons to lead an exercise alongside our teachers giving our students the opportunity to connect with young Irish people. We have had an incredibly positive response to this programme.
