RANCH STAY

ACCOMMODATION

There are two separate cabins as well as three home-style meals provided daily.

YOUR STAY AT RANCH

Immerse yourself in the everyday life of a ranch. Spend time with horses, learn to rope, herd cattle on horseback, and take care of the daily feeding and cleaning of paddocks. You'll also help out with daily chores including meals, housekeeping, and maintenance. As this is a Bed & Breakfast and Guest Ranch, guests may be present. Contributing to the success of their stay, you'll help with entertaining, serving food, general clean-up and assist with riding lessons and trail rides. Getting fully involved is part of a unique cultural learning experience.

HORSEBACK RIDING

While your stay will include helping out on the ranch, you will have a good amount of free time each day to take advantage of riding in the arena and on beautiful trails. Your safety is always the most important thing. Riding hours will vary depending on the level of your riding skills and other factors. For beginner riders, there will be supervision and training.

ADDITIONAL INFO

There are 35 horses at the ranch including mares for breeding, riding horses, horses in training and retired horses.

"This placement was perfect. All the people there help you very much to improve your English. It was awesome! The ranch place was very supportive wherever they can. I was absolutely satisfied. The owners are very empathetic people and I like them very much. It was a great honor to stay on that ranch."
