Welcome To Imagine **English**

Imagine A
Better Future

*Thank you for your interest in studying English
at **Imagine English**.*

English has been described as 'the language of opportunity'. In fact, the consequences of not learning English can be quite significant. These can include a lack of job opportunities, lower salary or not being able to go to the English-speaking university of your choice.

At Imagine English we will inspire you to reach the level you personally need. With our excellent and highly qualified teachers we can help you achieve your goals which will enable you to move into the future you desire.

Here are
some of the
reasons
**WHY learning
English is so
important:**

- English is one of the world's most widely spoken languages
- English will make you more desirable to employers
- English will give you access to some of the world's best universities
- English is the language of business and commerce, science, computers, aviation, diplomacy and tourism to name but a few.

General English

Hours: 15 per week

Hours: 3 per day

Start day: Start on any Monday

Maximum class size: 10

Maximum age: 16

Timetable: 9.30 am–12.30 pm Mon–Fri

Duration: 1 week–11 months

Levels: Beginner (A1) – Advanced (C1)

Course Description: General English is our most popular course. It aims to improve all areas of your English language competence: speaking, listening, reading, writing, grammar, vocabulary and pronunciation.

This course is designed to equip you with the confidence you need to successfully communicate in an English speaking environment.

Focusing on grammar in everyday contexts, whilst still covering the speaking, listening, reading and writing aspects, this course brings the English language to life.

“It was only two weeks but an incredible experience. Thank you all, Imagine is very familiar and friendly. Amanda and Tim are great people and of course my teacher Sophie the best of all. I recommend Imagine English Language and I hope to return soon.”

– Diana, Chile

General English

Our teachers use the communicative approach where students learn from interacting in real-life situations. This will increase your confidence when communicating in English.

Key Benefits

- ✓ Progress is recorded as the arrival test will show your current level, regular progress tests and homework assignments will ensure this progression.
- ✓ Accelerated confidence in your speaking, listening and reading of the English Language.
- ✓ Improved grammar helping to formulate sentences correctly in everyday contexts.
- ✓ Pronunciation skills are developed throughout the classes.

My wife it's been attending Imagine English for 3 months and we cannot be happier. She improved a lot and we only have good words for Amanda and her very professional team. Very recommended.

- Nico, Liverpool.

Conversation Classes

Imagine A
Better Future

If you are looking to improve your speaking and listening and need some conversation inspiration, then check out our lively conversation classes.

You will encounter a variety of topics and learn to put into practice your speaking skills with your other classmates. Your teacher will help you improve your pronunciation and vocabulary.

One to One Private Lessons

One to one lessons could be what you are looking for where the teacher can very specifically address your individual requirements. The teacher will look to develop in the area/s that you request. For example, you may want to improve your writing or pronunciation skills.

These lessons can be purchased in blocks of 5 and can be for 60, 90 or 120 minutes

If you want to do this lesson with a friend (one to two) we can negotiate a reduced price.
