ACTIVITIES

French in Guadeloupe (IMLC) also organises activities and outings such as field trips and cultural immersions. This will help the students to get a glimpse of the Caribbean world and festivities while learning French.

At the arrival at school, the student will have all necessary information about those activities and will book them if he wants to join.

Depending on the seasons and availabilities, we offer indoor activities such as **drama, Creole classes, French in music, Caribbean cooking** but also outdoor activities such as **hiking, kayaking, flyboard, city tours, visit of museums etc..** and **excursions to explore the islands of Guadeloupe.**
