

Home stay in Florence

Living with an Italian host family gives you an excellent opportunity to get to know about everyday Italian life and culture first hand. It will also give you the opportunity to use your newly-acquired language skills with native speakers and to sample authentic Italian cuisine!

Home stays can be with families with children, couples or single people. Some host families live in the historic city centre within walking distance of the school while others are located a short bus ride away. Families can cater to special dietary needs (vegetarians, vegans., celiac etc.)

At InFlorence Academy we take host family accommodation very seriously. Families are inspected regularly and wherever possible we take student requests into account to ensure you find the best home away from home.
