HOW?

- You live in your own private host's home, on full board accommodation
- You are the only student and you are totally immersed in your target language
- You practise the language you are learning through sharing daily family life

WHY?

- You learn the language by "living" it, not only is it the most natural way of learning, it has also proven to be the most effective
- The course is entirely tailored to you and your needs, lessons and/or activities are personalised and your host teacher designs a course based on your objectives
- You choose your dates, (from a Sunday to a Saturday) the desired duration and destination, the required hours tuition and options
- Whether beginner or advanced, your course is adapted to suit your level and your requirements

FOR WHOM?

Children, teenagers & young adults

Our hosts are experienced at hosting young learners and are carefully selected to match their profile and interests. Living with a host provides them with a safe and friendly environment. Students can customise their Language Immersion by combining their Home Tuition Programme with Leisure Activities (General Activities or Cultural Visits are compulsory for students under 18). These enable them to learn while enjoying themselves which is the most effective way to progress. Options such as Exam or Academic Preparation are available for those who want to improve for school or university. Our Lifestyle Programme is available for those who prefer to only learn through activities without lessons.

Adults & professionals

Learning a language for professional purposes with a host teacher is the perfect way for adult learners to progress quickly in their subject of choice. We have hosts with different areas of expertise such as business, marketing, tourism, science, etc. They are able to offer courses using specific vocabulary and jargon in the subject of choice. Adult students can also combine their Home Tuition Programme with General Activities, Cultural Visits, Sports or Excursions, which provide them with a unique insight into another culture, while they learn not only through theory but also through practice. For adults looking for high standard accommodation we offer a Superior Homestay Option with our most exclusive hosts.

HOME TUITION PROGRAMME

It is the most effective way to make rapid progress: you live with your teacher who will give you private language lessons and correct you at all times. It completely immerses you in the language you are learning as you put into practice what you have learnt during your lessons through social interactions and meal times with your host.

The Home Tuition **Programme includes:**

- 10h*,15h, 20h, 25h or 30h private language lessons per week
- Accommodation in your teacher's home
- Meals and social interaction with your host

Choose the number of language lessons you require and personalise your Programme according to your needs, interests and preferences with a multitude of options and specialisations to choose from. Some things cannot be learnt by studying in the traditional way, fluency is achieved through living the language, using the target language constantly and in your everyday life. Culture, entertainment, leisure and current events are embedded in people's language and these are as much part of the language learning process as the lessons.

*10 hours must be combined with General Activities and/or Cultural Visits and/or Farm Activities

▲ Students under 18 must book General Activities, Farm Activities and/or Cultural Visits with their Home Tuition Programme

Take the next step from student to fluent speaker by choosing your options.

+ ACADEMIC HOLIDAY

You can also choose to stay with a host during your school or university holiday, this is the ideal solution when you are unable to go back to your country and you are looking for a warm family environment to make you feel at home during your time off. It is also the opportunity to improve your language skills while having a good time. For minors the hosts will supervise any homework given and liaise with the school and the parents for any matters that need attending to.

+ ACADEMIC PREPARATION

Our academic language option for international and EU students helps you prepare for boarding school (GCSE, A Level, IB), foundation courses or university. It enables you to develop and practice the language skills needed to communicate with teachers and students, read academic texts, write summaries, reports, essays and give presentations. You can also extend your vocabulary for your specialised subject (maths, science, economics, business, literature....).

+ ACCOMPANYING PET (dogs/cats)

This option is for those who wish to take their pet on their language immersion programme (does not include food or pet sitting).

INFLUENT GENERAL INFORMATION

HOST SELECTION

Our Regional Managers have personally interviewed the host teachers and inspected their accommodation.

They have a recognised teaching certificate and/or a university degree and have a minimum of 2 years experience teaching They have been selected not only because they are dedicated and professional but also because they have a passion for teaching, can offer a comfortable and hospitable home, are warm, friendly and love sharing their daily life and culture .

Hosts can vary from the traditional family with two adults and one or more children, to one-parent hosts with one or more children or hosts who live alone. Some school teachers host and teach language students during their holidays, some who have retired enjoy teaching on an occasional basis, others enjoy teaching in a different way from home.

PERSONAL INFORMATION

It is important that you give us as much information as possible about yourself (allergies, smoker/non smoker, language level, interests, etc.) in order for us to select the most suitable host family for you.

DATES

Our courses are year round and our programmes are weekly (from a Sunday to a Saturday).

DESTINATION

We consider the choice of host family more important than the region so please give us several choices of area in the chosen destination when possible.

ACTIVITIES & VISITS

Influent Hosts will welcome you in their home as a friend who has come to stay and will share their daily family life. If you would like cultural visits, activities, sports or excursions these are options that should be added to your programme.

Activities and/or cultural visit options are strongly recommended for all students, as they enable you to continue practising your language skills outside of lessons as well as learning more about the country and region you are in.

\wedge 10 hours must be combined with General Activities and/or Cultural Visits and/or Farm Activities

▲ Students under 18 must book General Activities, Farm Activities and/or Cultural Visits with their Home Tuition Programme

TRANSFERS

Please provide us with full travel details and a mobile number well in advance of your stay if you wish to book transfers.

 \triangle Transfers are compulsory for students aged 15 and under unless taken care of by their parents.

TIPS FOR A SUCCESSFUL LANGUAGE IMMERSION TO BE (IN)FLUENT

BEFORE ARRIVAL

Our hosts are provided with full details concerning you, your preferences and the programme you have booked. We advise you to contact them before your stay to introduce yourself and tell them about your interests, food preferences and expectations. This will help them prepare for your stay.

If you have booked a course with lessons we advise you to complete our Online Language Test, the results are sent automatically to your host teacher, this will enable them to personalise the content of your language lessons in advance to suit your needs.

A Student Handbook is available on request, it contains all the information and answers to any questions you may have on your language immersion.

BEFORE DEPARTURE

Host Teachers fill in a Teacher's Report with full details concerning your lessons, activities and their comments, it is available on request.

We ask if possible for you to fill in an Online Student Report as we are interested in your feedback.

Your teacher can provide you with a Certificate of Attendance on request.

CULTURAL DIFFERENCES

Hosts may not have the same way of life as you do, so please be ready to accept the cultural differences which are also part of your language immersion experience. Learning a language is also learning about the country where it is spoken and its people.

SCHOOL HOLIDAYS

Please note school holidays may not be on the same dates as in your home country so children may be at school during your stay.

POCKET MONEY

We recommend you bring £100, €120, US\$140 spending money and double these amounts if you have not booked any leisure options.

INFLUENT TERMS & CONDITIONS

Please read through our T&Cs carefully and do not hesitate to contact us if anything is unclear, we are always happy to answer any queries you may have.

What does Influent not guarantee?

• To the best of our knowledge the host family details are correct when we give them and we cannot be responsible for subsequent changes to these.

• We cannot guarantee that all the host family members will be present during the stay as our contract is with the teacher, not with any other family member.

Transfers

• Influent must receive flight details one week in advance at the very latest in order to organise the transfers, if not we reserve the right to cancel them.

• If no transfers are booked the student should contact the family directly to give them an approximate arrival time. If the family does not hear from the student they will expect them after 19h00.

• A mobile number is required for all students who book transfers.

• Transfers are usually individual but may be shared with students arriving/departing in a similar location and time.

• A supplement may be charged for early arrival (before 8h00) or late departure (after 22h00)

What happens if I have an issue during my stay?

Regional Managers in your host's country are always available to help with any issues you may have, big or small, these can usually be solved very quickly as they are usually to do with language misunderstandings or cultural differences. Problems which cannot be fixed are rare but if you feel that you and your host are not suited or you are not happy in your homestay please let your regional manager know or contact us and we will organise for a change of host family. Claims after the stay will only be considered if issues have been notified during the stay, in the case of minors this is the parent's or guardian's responsibility.
