

IELTS Exam Preparation

Overview

This course will not only help you to successfully pass the IELTS exam, but it will also help you build the confidence to engage in new and interesting local activities. All of which will increase your chances of being accepted into your desired college or university.

Students will develop confidence in their English skills as they prepare for the IELTS exam with exercises, practice tests, and a lot of opportunities to practice your English in all of the different language skills tests - listening, reading, writing, and speaking. Our teachers have many years of experience and they specialize in training students for test-taking as well as providing useful techniques.

The International English Language Testing System (IELTS) is a standardized proficiency exam that has become the world's most popular English language test for academic, employment and immigration purposes. In Canada, IELTS is used as a measure of English language proficiency for immigration, skilled worker applications, post secondary entrance requirements, Masters Programs, and other professional designations.
