ACTIVITIES

Year round, we offer a rich and varied cultural activities and excursions program, combining the use of the language while experiencing the cultural, social and human environment.

Every Monday at 12:15 pm we offer a welcome drink, this convivial moment allows new participants to meet with the IEF team and the students already in training at the school.

By late afternoon, we give an appointment to students for a guided tour of the city enabling them to find their way around and get good tips (restaurants, bars...) while discovering the cultural and historic treasures of the city.

Every week at least 2 activities and one excursion in the area are proposed, the summer program is strengthened.

Our partner Oculture, is a professional tourism agency since 2005, ensuring the quality of services and compliance with safety standards.

You can find all the information about the type of activities and excursions at: <http://www.oculture.eu>

Cost may vary between 5 to 60 euros.
