

## Welcome to our 2024 Price Guide!

We're delighted to release our Price Guide for 2024 during what is looking like an excellent year for all of us.

The high rate of inflation has left us exposed to suppliers (including our tutors) rapidly increasing costs. In this context, fixing our prices for the whole of 2024 in July 2023 is impractical. To protect ourselves against potential sustained inflation, we would have to increase our prices considerably. We believe that it is better for all parties to commit to a quarterly review of fees, which will allow us to make an informed decision based on the facts at the time, rather than using guesswork in advance. That said, please note that while they may be reviewed every quarter, it doesn't mean that they'll be changed every quarter!

Warm regards,

Jamie Gantley

**Dates:** Standard arrival is on Sunday afternoon / evening and departure on a Saturday morning. The first lesson is on Monday, unless otherwise requested.

**Age Restrictions:** Students aged 10-17 are welcome to apply for our Young Learner programmes.

Students aged 10-13 are required to choose a **Fast Track** (25 hours per week) programme. They receive 15 hours' formal lessons and 10 hours' crafts, games and other activity-based learning, as well as standard afternoon and weekend excursions.

Students aged 14-17 may choose any programme.

**Meet your Tutor session:** All students receive a 30-minute online session with their tutor before the start of their home tuition course. This acts as part of the needs analysis and also enables tutor and student to get to know each other. If a course is split between two or more tutors, the student may have a session with each tutor.

**Two-to-one Courses:** These are offered at 20% discount on the one-to-one price per person. Students must have similar language levels. A **separate rooms supplement** of per week applies should separate rooms be requested.

**J2J Programme:** Our very popular two-to-one summer programme, where students are matched

with a partner of a different nationality and first language, carefully selected to match ages, interests and level in the language of study. The J2J programme is for 14- to 17-year-olds with a language level from Elementary to Upper Intermediate. Students must be flexible on location. Students enjoy complete immersion and make friends from across the world at the same time!

UK J2J start dates: 23/06 – 06/07, 07/07 – 20/07, 21/07 – 03/08, 04/08 – 17/08

**Family English:** Ideal for families who wish to study together. Depending on student levels, lessons can either be shared or taken 1:1 in parallel. Where separate 1:1 lessons are required, we aim to host students in two-teacher families or will arrange for a visiting tutor to teach either student as required. Each student is charged the Adult 2:1 rate for the relevant number of hours to be studied.

This programme is only open to families – not friends or colleagues.

**Exam Preparation Courses:** We provide intensive preparation for the following language examinations:

- Cambridge Assessment English suite
- IELTS
- Trinity GESE / ISE
- Cambridge LinguaSkill
- ETS TOEFL
- ETS TOEIC
- DILF / DELF / DALF
- Many others available on request

**Academic English:** Designed for Academic and Higher Education students who need to study in English. The course develops the special skills and formal language required to achieve academic success.

**Academic Subjects:** Tuition for GCSE, A-level or IB students in selected subjects:

- Sciences
- Mathematics
- Business and Economics
- Humanities
- Arts and Music

**Super Short Courses:** A highly intensive choice for busy students. Courses can start any day of the week (including weekends). Fees are set for all locations – no City or Prestige Homestay supplement applies.

**English Plus:** Students may exchange tuition hours for additional excursion / activity hours with their host tutor. Activity materials are not included in the standard price and are quoted after needs assessment.

**Tuition Only:** 1:1 or closed-group 2:1 tuition offered without full-board accommodation. Courses are

offered in minimum blocks of 15 hours which can be taken in shorter sessions.

**Edinburgh Festival:** All courses taken in Edinburgh during the Festival period (30 Jul – 02 Sept) are charged a supplement of £170 per week.

**Christmas / New Year:** All courses starting between 24<sup>th</sup> Dec – 30<sup>th</sup> Dec 2024 are charged a one-off (not weekly) supplement.

**Dietary Requirements:** We always do our best to accommodate special dietary requirements. However, we reserve the right to ask for a contribution of £70 / €80 / \$90 from the student if this involves the host tutor purchasing special ingredients (e.g., gluten-free products).

**Airport Transfers:** Airport transfers are obligatory for all under-16s unless they are accompanied throughout by a responsible adult. Students aged 16-17 may travel independently with their parents' consent. If an **Unaccompanied Minor** service is required on departure, a supplement of £85 / €85 / \$95 applies. If two students share a transfer (for example, for a J2J programme), then a 25% discount is offered on the standard fee. See **Transfer Information** for more details.

**Unsocial Arrival / Departure Times:** Students arriving at or departing from a host tutor's home between 22h00 and 06h00 will be charged a supplement of £40 / €40 / \$55.

**Accompanying Adult / Child:** Accompanying persons receive room and board only. Fees exclude the cost of childcare (if applicable).

## InTuition Online Programme (IOP)

IOP courses can be bought as standalone products or in combination with a home tuition course.

Home tuition students adding an IOP product to their course package receive a 10% discount on the standard IOP gross price. Home tuition students may choose to add IOP products to their package before, during or after their home tuition course, and lessons may be taken before or after their home tuition course.
