

EVERYONE REMEMBERS A GOOD TEACHER

We offer students one-to-one and two-to-one study options. On both programmes, students experience complete language immersion and combine formal lessons with cultural or sporting activities – and fun! Our courses are ideal for ensuring rapid progress in a relaxed and friendly atmosphere.

ENGLISH IMMERSION YOUNG LEARNERS (14 - 17)

Ideal for teenagers (14 - 17) who want to enjoy an authentic experience of living and learning in English. Morning lessons are followed by afternoon activities and immersion in their host family's life. Students make rapid progress and build their confidence in a safe and welcoming environment.

EXAM PREPARATION ENGLISH YOUNG LEARNERS (14 - 17)

Very popular during school holiday periods. As well as Cambridge Assessment English and TOEIC preparation, we also offer specific support with High School certificates (Bac, Matura, Abitur) and Prepa.

ACADEMIC ENGLISH TUTORING SCIENCE MATHEMATICS AND HUMANITIES (14 - 17)

Ideal for international students - either currently studying in the UK or overseas - who want to make maximum progress in GCSE and A-level subjects before sitting exams. Using qualified and experienced subject tutors, we provide an immersion environment, allowing students to develop their confidence in using academic language and develop their enjoyment of studying in English, as well as developing their subject knowledge.

ENGLISH IMMERSION SUPER JUNIORS (10 - 13)

For students aged 10 - 13 who are ready for a unique, family-based learning experience. Formal lessons (15 hours per week) are supplemented with activity-based learning (10 hours per week) – arts, crafts, music or other activities to make language learning easy and fun.
