WHY DUBLIN ?

With a population of just over one million, Dublin, the capital of the Republic of Ireland, is the best place in the world to study! Once the home of writers James Joyce, Bram Stoker, Samuel Beckett and Oscar Wilde, today its celebrated inhabitants and natives include rock band U2, singer Sinead O'Connor, writers Roddy Doyle and Anne Enright, and actors Saoirse Ronan and Jonathan Rhys Meyers.

BELVEDERE SCHOOL

Our summer camp is located at Belvedere College, a historic private school in the heart of Dublin's city centre. Just a few minutes' walk from O'Connell Street and our Parnell Square school, the building is a renowned and prestigious private high school during the school year – James Joyce was a student there in 1894! We also run a small overflow adult centre in Belvedere, separate from the summer camp classes.

VOCABULARY

76-77

Animals

A Work in pairs. Look at the pictures in File 10 on p. 159 and discuss these questions:

- Which of these animals do you like? Why?
- Are you scared of any of these animals? Why?

Love Learning

We offer a range of English Language courses to suit all requirements, combining key language skills with a full range of specialist classes and internationally renowned examinations. Our teachers are all university graduates with recognised teaching qualifications, experience and most importantly, a love of their profession. Our classes incorporate the use of Digital Interactive Whiteboards, the latest linguistic software and the Internet.

GENERAL ENGLISH PROGRAMMES

These programmes are suitable for everyone and provide a good foundation in the main linguistic skills of reading, writing, listening and speaking. With a strong focus on communication skills, these courses also provide a solid foundation in the key skills required in the Trinity College London ISE Examinations as well as Cambridge examinations.

The method used is task-based, which means that by the end of each level students are expected to be able to complete a certain amount of tasks through English. There is a central course book and workbook and teachers supplement these using authentic materials such as newspapers, magazines, menus, manuals, brochures and a range of other books.

ACADEMIC YEAR - WORK & STUDY

Students on Academic Year programmes are integrated with the General English classes. This creates an international mix of students, each doing courses of different durations. With a full 25-week programme, Academic Year students can expect to progress through at least two levels during their course before completing their final exit examination. Our morning classes offer a greater international mix of students, while the discounted afternoon classes tend to have fewer nationalities.

GUIDED TOURS & HIKES

Dublin is a small city, sometimes best explored on foot! Every Monday we offer walking tours to places of interest as part of our new student orientation. In addition, every Friday, we bring students on a hike to seaside villages outside the city, for example, Howth, Killiney, Dalkey and Bray. Our guided tours are a great way for new students to get to know Dublin and make new friends.

CONVERSATION CORNER

Coordinated by our staff, Conversation Corner takes place every Wednesday evening at a neighbourhood pub. Various language games and “speed-dating” techniques are used to inspire conversation. It is one of our most popular events, as it allows students to make new friends and practise their English in a relaxed and sociable atmosphere.

HISTORY CLUB

The History Club allows students to learn about Ireland's rich cultural past in a fun and interactive way, using online resources, documentaries, music and film. The club is attended each week by up to 25 students and aims to bring Irish culture and history to life. As it is a mixed level activity, it also offer students the opportunity to meet students from other classes.

STUDENT PARTIES

Every four weeks we offer an international student party. These exciting events take place in local pubs or nightclubs and involve various themes (Easter, Hallowe'en, St. Patrick's Day), as well as a DJ and great drink promotions. Our students use this opportunity to relax and get to know each other!

Many of our students want to find a part-time job during their studies. Our very popular Jobs Club is coordinated by one of our teachers every week and is free for all students. Topics covered include how to find a job, writing a CV & cover letter, as well as interview skills.

SATURDAY TOURS

Every Saturday we organise full day bus tours around Ireland with special discounted prices for our students. Destinations include Belfast (Titanic Museum), Cliffs of Moher, Glengalough and Kilkenny Castle. These tours are a great way for students to explore Ireland and meet other students.

FACILITIES

We believe your learning space should be a beautiful and inspirational one. ISI Dublin offers two year-round centres offering excellent facilities in beautifully decorated buildings.

STUDENT RESIDENCE

For students seeking a more independent life in Dublin, our self-catering residence, located close to the city and just 15 minutes' walk from our centres, is a great choice. Reserved for students aged 18+, the residence offers deluxe, high quality, single rooms with ensuite bathrooms and a shared kitchen and living space. This picture features our Broadstone Residence, but we also offer other residences of the same quality and standard, and this will be confirmed at the time of booking.

At ISI Dublin we love what we do. We don't just teach courses, we offer you a complete experience, combining the best academic programmes with high-quality accommodation, an exciting social programme, great evening events and adventurous weekend excursions. Academic excellence is at the heart of what we do. ISI is recognised by ACELS, a service of Quality and Qualifications Ireland (QQI), for English language teaching. We are also a recognised examination centre for the Trinity College London ISE Examinations, Language Cert, Cambridge Examinations and IELTS. Using the most advanced teaching methods and the newest technology, our students enjoy a stimulating and interactive learning experience.
