

ITALIAN LANGUAGE FOR BUSINESS

This course is for you who are focused on learning Italian for business reasons. Classes are organized around the needs of your working environment, combining the study of grammar and the practice of language in role-playing simulating real problems and situations you might face in your job: talk in Italian with clients and colleagues, write a commercial email, make a phone call.

INTENSIVE ITALIAN LANGUAGE + BUSINESS PRIVATE CLASSES

This course is for you who are focused on learning Italian for business reasons. Each day four lessons in the morning combining grammar and communication in an ideal mix tailored on your needs, in a relaxing and pleasant atmosphere, using the latest technology.

In the afternoon, private classes tailor made to your business needs to help you to be more fluent in Italian.

ITALIAN LANGUAGE THROUGH FOOD AND WINE EXPERIENCE

It is for you who are interested in learning the Italian language through the wonders of Italian food and wine. The experience we are offering includes:

cooking classes, wine and oil tastings, thematic tours to discover the excellence of Tuscan food and wine. Under the guide of your teacher, chefs, and experts in the food and wine sector, you will learn Italian in a relaxing and pleasant atmosphere, through a top quality experience.

INTENSIVE ITALIAN LANGUAGE + COOKING CLASSES

These classes are for you who are interested in Italian food, and wish to combine the standard language course in the morning with practical cooking lessons in the evening.

You can learn how to cook the Italian and Florentine traditional recipes in some of the best known Florentine cooking schools and under the supervision of an experienced Italian chef. After preparing the dishes, you will enjoy the dinner with your friends in a relaxing Italian atmosphere. With this taste of the Italian culinary culture you will be able to offer your friends and family in your home country a typical Italian menu, recreating a true Italian dinner!

ITALIAN LANGUAGE THROUGH LITERATURE, HISTORY AND CINEMA

This course is for you who are interested in knowing and deepening the various aspects of the Italian identity. We will refer to Italian literature, history and cinema to know Italy in a pleasant and original way. Improving the language through great authors, the history of Italy, the masterpieces of Italian cinema, will be a surprising discovery!

INTENSIVE ITALIAN LANGUAGE + LITERATURE, HISTORY AND CINEMA PRIVATE CLASSES

This course is for you who are interested in knowing and deepening the various aspects of the Italian identity. We will refer to Italian literature, history and cinema to know Italy in a pleasant and original way. You will combine the intensive course in the morning with private classes focused on literature, history and cinema in the afternoon.
