So, I think here is the best for everyone. Thanks, Harvest!"

The HEI is located on Wilshire Blvd. which is one of the principal east-west roads in Los Angeles. It connects five of Los Angeles major business districts, as well as Beverly Hills. The campus is easily accessible by bus, train, and car.

The HEI is just few miles away from Hollywood Walk of Fame, Griffith Park, Little Tokyo, Los Angeles County Art Museum, and hundreds of incredible cultural attractions.

Museums, music, theatre, dance, gardens, architecture, urban art, fashion, literature, film and television... LA is a myth.

TOEFL® Test Preparation

• What is TOEFL®?

It is the most widely accepted English-language test in the world. TOEFL® is an abbreviation for Test of English as a Foreign Language. This test measures your ability to use and understand English at the university level. It evaluates how well you are able to combine your listening, reading, speaking and writing skills to successfully perform academic tasks. TOEFL® is accepted in more than 8,500 institutions around the globe in 130 countries.

• How is it divided?

In the TOEFL® exam, four-language skills are tested: reading, listening, speaking, and writing.

TOEFL® exists in two versions:

- iBT, the internet based TOEFL®; and,
- Paper based. (Offered only in places where testing via internet is not available)

These days, most of the TOEFL® centers use the internet based TOEFL®.

How does Harvest English Institute prepare you for the test?

We will provide you with a very comprehensive study, focused on techniques, strategies and on how to master the components the test requires. Our long experience in preparing students to take the test has given them an advantage, as we have attended to their educational needs with a strong focus on success.

“

English is the language of medicine in the world. In order to be professional, in order to treat people better, you need to know about all the discoveries, all the researches that are made all over the world. And the only way to know about them is to read or hear about them in English because that's the international language. I heard about Harvest Institute from my friends who studied here before me. I practice English every day here and that's the biggest positive thing for me here. I met a lot of great people and made a lot of friends. They all come from different countries and it's actually interesting to learn more about their cultures, even though we all are trying to learn more about the American culture.

What to pack

June, July, and August are generally hot and humid months throughout the U.S. In September the season starts changing and cooling down.

In New Jersey the months of November to March are considered very cold. Be prepared for snow and ice. Bring coats, hats, non-slippery shoes, and gloves.

In Florida, winters are milder and not as cold. Be prepared for warmer days and cooler nights. Bring sweaters, long sleeve shirts and pants, but don't forget that Florida has mild to warm weather and it can change very fast. One day may be cool and the next a beautiful, sunny day to go to the park or the beach.

In California, nice sunny days are waiting for you. Bring comfortable clothes and be prepared to spend hours walking around and enjoying sun and fresh air. The months of June to September are warmer and dryer. From October to December the temperature is pleasant specially in the mornings, with warm afternoons. From April to June, it usually rains - be prepared! California is a very sunny place. So, don't forget your sunscreen.

If you have a traditional national costume and/or cultural artifacts from your country that you would like to wear or present at the Harvest International Festival you are more than welcome to bring them along!

Harvest just makes

"Classes are fun, exciting, and I'm never bored. I started English classes to learn a language and discovered that there is a whole world to be learned! I recommend the HEI no questions asked!"

Yuxuan Du - China

"Most schools can teach English grammar and vocabulary, but Harvest is different! Here, you learn about culture, lifestyle, and that it is okay to just enjoy life as an American matter where you come from."

Thamer Alsahli - Saudi Arabia
