

Summer Academy: STEM

This course is designed for teenagers who are looking to get a taste of life as a student in the UK. The academic focus allows students to study STEM alongside English language studies. It is an ideal option for students who are considering further study in the UK in future years and as a pre-sessional programme for students commencing studies that academic year.

Location: Oxford

Start dates: 28 June (2 or 4 weeks)
& 12 July (2 weeks)

Level: IELTS 5.0 / Intermediate
(pre-test required)

Length: 2 – 4 weeks

Class size: 12

Min – max age range: 15 – 17

Included in the price (weekly)

- Placement test and regular progress tests
- 17 hours of academic subjects + 10 hours of academic English, UCAS counseling & culture
- University counselling with a UCAS advisor
- Bus pass
- Programme of evening activities
- One full-day and one half-day excursion
- End-of-course certificate

Accommodation

- Single en-suite study bedrooms
- 24/7 live-in warden supervision
- Full board
(breakfast and lunch at St. Joseph's campus + dinner at Wavy Gate or using meal vouchers)

Course structure and content

This pre-university course offers a combination of English lessons and STEM taught in English.

The course provides insight into academic studies in the UK with students being taught by our A-level and Foundation academic teachers. Students are also able to get professional guidance on university options through the sessions offered with our UCAS counsellors.

You will gain knowledge and develop your study skills and strategies to ensure you make the most of your time and experience both inside and outside the classroom. This will help you to better understand yourself and to build a strong and personalised application for your chosen degree.
