IMMERSION CAMPS

Ages

From 12 years old

Dates

From June 29th to August 11th, 2024

Our camps offer language learning in action.

Our methodology is based on practical tasks, projects and experiences, building on previous knowledge and developing new skills (receptive, productive, interactive and mediation) as set down in the Common European Framework of Reference for Languages (CEFR).

In the current climate it not enough to be aware of the grammar of a language. You also need to know how to use it to communicate effectively with others. Using our own material and planning, we adapt to each student's way of learning, consolidating the knowledge they already possess and enhancing those which are less developed.

Our experience shows us that in order for the experience to be successful, the classes must be taught by teachers who are motivated, with years of experience behind them and a considerable measure of charisma.

Our Summer Camp includes:

- **20 lessons (45 min.) per week** to choose from **English or Spanish** taught by native & qualified teachers
- **Small groups of up to 15 students** with one monitor for each group
- **Hotel accommodation** (3 & 4 stars) walking distance to the school and the beach
- **Full board** (breakfast, lunch & dinner)
- Airport **transfers**
- **8 half-day** excursions including cultural museums, city tours and surfing
- **4 full-day** excursions around the most visited and emblematic places
- **Travel insurance** (Guard Me)
