What you will need before coming to England

Here's a list of useful things to bring to the UK:

- Enrolment documents.
- Details of your accommodation/the family where you are staying.
- Credit cards/ travellers' cheques.
- For European citizens: EHIC (European Health Insurance Card).
- Relevant documents if you have arranged your own insurance.
- Mobile phone - and charger!
- An adaptor for non-British plugs - we use three-pin plugs and the power is 240 volts in the UK. You can buy these adaptors at the airport or in Nottingham.
- A laptop/tablet computer - especially if your course will cover making presentations, etc.
- An internationally recognized student card if you have one.
- Your driving licence in case you wish to hire a car. Please note that you have to be aged over 23 and have held a (clean) license for a minimum of 2 years. If your own license is not in a West European language or if an authorized translation into English is not provided, you may need to get an International Driving Licence.
- A good bilingual dictionary. Monolingual dictionaries are available at the school.
- Some passport-sized photographs, for student cards, travel passes etc.
- Face covering, disinfecting wipes and/or hand gel.
