About The Course

The Great British Language Journey is an exclusive two-week course spanning the country, from Languages United in Bath to ECS Scotland in Edinburgh. Each day, after speaking and listening in class, you will have 'walk and talk' sessions around the cities, followed by lunch and a language review with your English teacher.

Experience British culture in two of the UK's most beautiful cities

You'll have two distinct British experiences in one journey: the Georgian elegance of Bath and the Gothic grandeur of Edinburgh. Both are UNESCO World Heritage sites, where you can connect the past and present of British culture.

Become more confident with every conversation

Our 'walk and talk' methodology integrates the classroom with the city. You'll be engaging in themed discussions, using your new skills immediately to accelerate your fluency.

Relax and feel supported

You'll be part of an exclusive group of 4-6 students, guaranteeing personalised attention from two boutique, family-run and British Council-accredited schools.

Join a unique, curated journey

The programme is exclusively designed for curious adults aged 30+ seeking a high-quality language experience. Your journey will include cultural activities such as a traditional cream tea and Scottish whisky tasting. Enjoy an effortless transfer, including Club Class on the Caledonian Sleeper train, transporting you in style to the heart of Edinburgh.

Be an insider, not a tourist

You'll transform from an English student to a confident global citizen, with a new-found confidence in your abilities and insider status.

Enjoy learning in real-life situations

Go behind the scenes, exploring the real-life settings of British history, literature and cinema, including iconic productions like Bridgerton, The Crown, and Outlander, alongside the literary landscapes of Jane Austen and Sir Walter Scott.

Edinburgh is a city of historic splendour and dramatic landscapes, and it is the capital of Scotland and a city set against a stunning, dramatic backdrop of hills and dormant volcanoes. The city is a UNESCO World Heritage Site, famous for the striking contrast between its medieval Old Town and its elegant Georgian New Town.

The Old Town is dominated by the majestic Edinburgh Castle, perched high atop an extinct volcano, Castle Rock, overlooking the city. Running down from the castle is the historic Royal Mile, a cobbled street lined with towering tenement houses, ancient churches, and narrow passages called "closes," leading down to the Palace of Holyroodhouse, the official residence of the British monarch in Scotland.

Monday	Design & Change Introduction to Edinburgh and New Town
Tuesday	People & Nature River Almond & Cramond
Wednesday	Nature & Literature Colinton Village & Water of Leith
Thursday	Work & Industry North Edinburgh & Leith
Friday	free afternoon

Please note: we do not visit Edinburgh Castle or main tourist attractions. We aim to offer more local itineraries. You will have enough free time to visit iconic sights if you wish.

Advice to students

Bath and Edinburgh are hilly cities with many cobbled streets and uneven paths. A certain level of physical fitness is required as we will walk 2 - 4km per day.

Please wear comfortable and practical shoes for walking on uneven surfaces, steps, slippery and leaf-covered pavements.

A warm and waterproof coat is essential, whatever the season! Don't forget your umbrella, sunglasses and sun cream - this is the UK so be prepared for all weathers!

Please note that lunch is not included in the course, so you should bring cash or card to pay for your lunch. Lunch will take place at approximately 14:00. If you might be hungry before then, please bring along snacks to have during your breaks. As Green Standard Schools, we encourage you to bring a reusable water bottle to help reduce plastic waste.

Our teachers will focus on the English language. We can recommend professionally guided tours if you have a specific interest in history.

Itineraries may change to adapt to venue availability and weather conditions.

Your safety and comfort are important to us. If you have any concerns or feel uncomfortable during the walk, please let your teacher know.

It is important that you have travel insurance to cover medical and travel risks, including delays and cancellations to planned travel arrangements. To ensure we can assist you, we will ask for your insurance details before the course starts.
