

FRENCH TEACHER TRAINING COURSE

DESCRIPTION

A comprehensive program to update your French culture knowledge, vary your teaching strategies and educational tools for the class, and exchange ideas and good practices with other teachers of French.

1 WEEK or 2 WEEKS PROGRAM: 25 hours per week

Our program combines French courses in group and practical workshops to experiment, analyse and discuss the teaching tools and resources provided:

“Improve and boost your teaching skills” course

- Class-leading dynamics: learn through the game, creative writing, enlivening grammar, medias and Web 2.0
- Interculturality: cinema exploration, myths, stories and legends, discover the French cultural heritage
- Teaching technics: correction by phonetics, build a specific French program (FOS/FOU)

+

Practical workshops* for the French class

- Familiarizing yourself with a wide range of current and practical language teaching tools to facilitate communication and sustain motivation and creativity in a French class.
- Exchanging ideas and good practices with other teachers of French, experimenting, analysing and discussing the teaching tools and resources provided.

* Workshops examples : corrective phonetics strategies, French cultural heritage & authentic resources for the class, the use of games, role plays and global simulations, French films and documentaries, ITC for Education...

+ Cultural activities and excursions might complete the training session to discover Toulouse, capital of the Occitanie region, its cultural heritage and French south-west way of life.
