

LAB MONTRÉAL & LAB VANCOUVER REGISTRATION PROCESS

TO REGISTER FOR YOUR LAB PROGRAM, JUST FOLLOW THESE STEPS:

1. Complete your registration form

Ensure you fill out your personal details and your course details.

2. Receive your invoice

You will receive your invoice with payment options.

3. Pay the registration fee

This is a non-refundable fee you only pay once. If you would like to extend your course or return to LAB in the future, this fee will not be charged again.

4. Receive your Letter of Acceptance (LOA)

As soon as we have received your payment, we will send a Letter of Acceptance that may be submitted with your visa application.

**For enrollments in a program of 24 weeks or longer, a tuition deposit fee of CAD\$ 1,000 is mandatory to receive the Letter of Acceptance (LOA).*

5. Pay your tuition balance/accommodation fees

After you have received your visa confirmation, you can proceed with paying your tuition/accommodation fees. Payment is due 30 days before your course starts. If you require accommodation, the information about your homestay family will be sent to you two weeks before your arrival.

6. Take your online placement test

About two weeks before you arrive, you will receive instructions to take your online English or French placement test. Taking the placement test before you arrive ensures you can start classes as soon as you come to school and at the right level!
