1. Course of Italian language at Lingua Più:

maximum 8 students
16 years old and older

Weekly course of Italian for foreigners, ALL LEVELS and any professional jargons.

The course has a high level of training and it is suitable for all levels and ages.

Didactic is extremely tailored on each student and it allows students to get in contact immediately with the communicative part of the language, minimizing, but not forgetting, the study of the necessary language forms.

Only native and certified teachers with decades-long teacher experience.

AVAILABLE ALL YEAR LONG.

2. Course of Italian language on-line live lessons:

maximum 10 students
16 years old and older

All levels, all ages and for any requirements, included any professional jargon.

The lessons are based on our specific high-level methodology, developed for on-line lessons. It is the result of an accurate work of research and development, to be able to offer our students the best didactic and pedagogical approach, for faster and enjoyable learning. Our methodology is appropriate for lessons via Internet, and it changes to follow each student's personal pace and peculiarities. All didactic materials are made or adapted by us, based on the Montessori pedagogy.

Only native and certified teachers with decades-long teacher experience.

AVAILABLE ALL YEAR ROUND.
