Enjoy Milan

Milan is Italy's most cosmopolitan city. There are many aspects of Milan which make it a stimulating place: the dynamic night life, the characteristic atmosphere of the Navigli, the central streets with their shop windows, the fashion and the intense cultural life. Milan offers a wide range of museums with invaluable masterpieces (Leonardo's Last Supper, Raphael, Caravaggio, Michelangelo). On the forefront of fashion and design, Milan also offers great places to go out. Theatre and cinema flourish in this fashionable milieu, as does a lively club scene. It's all about lifestyle in Italy's most dynamic and future oriented city.

Social and Cultural Activities

During your stay in Milan you will have the possibility to experience the social and cultural life through a programme of cultural and leisure activities organized by Linguadue. Linguadue offers several activities a week, these usually include guided visits to the most important museums and galleries, lectures on various aspects of contemporary Italian culture and society, a selection of famous Italian movies shown regularly at school, evenings out for aperitivo in trendy cafés, walks in typical and interesting areas of Milan.

The programme is designed to allow you to enjoy yourself, experience Milan, your Italian and getting to know better other Linguadue students.

It is run with a team of teachers who will always be with you to help you improve your Italian and better understand the Italian way of life.

At the beginning of every course you will be presented with the final programme, including detailed information about each activity.

Excursions- Excursions are run in cooperation with a local tour operator. Full day excursions to famous Italian cities close to Milan and to most renowned sites are organized during the weekends usually on Saturday and Sunday. Lake Como, Lake Maggiore, Lake Garda, Venice, Verona, 5 Terre (seaside), S. Margherita Ligure and Portofino.

Art History Visits - These are guided visits to the most important museums and galleries: Duomo, Castello Sforzesco, Pinacoteca di Brera, Pinacoteca Ambrosiana, Palazzo Reale, Museo del '900, Da Vinci's *Last Supper*.

Lectures - Various aspects of contemporary Italian culture and society are presented: Italian Fashion, Italian Design, Italian Cuisine, Italian Wines, Italian Gestures, Italian Traditions, Italian Opera.

Films - A selection of famous Italian films is shown regularly at school.

BUON DIVERTIMENTO!
